4 February 1986

1. Reorganization of the Office of Security

25X1 [] noted that he is looking forward to the
3 February implementation of the reorganization. He thanked
25X1 senior management for their professional input and insights
into the development of the reorganization plan. []

2. Budget Cuts

25X1 [] advised that, in spite of anticipated
Gramm-Rudman budget cuts, the Office's mission is still
considered among the Agency's top priorities. Although the
25X1 legislation will impact the Office, he expects the overall
cutbacks to be ones that we can live with. []

3. Stilwell Working Group

General Richard G. Stilwell is heading a working group
which is to prepare a comprehensive report on the United
States' counterintelligence capabilities and to recommend
improvements. Dr. Lynch is the CIA representative to this
group. The report will be submitted by the President to the
25X1 Senate Select Committee on Intelligence as required in the
FY 1986 Intelligence Authorization Bill. []

4. Polygraph Issue

25X1 [] commented on potential negative effects that the
media and the recent statements by Secretary of State Schultz
will have on implementation of a national polygraph program.
Secretary Schultz is to be briefed on our polygraph program.
25X1 Preparations are underway to also brief Secretary of Defense
Weinberger. []

5. Leaks Legislation

25X1 [] emphasized the keen interest of the DCI in obtaining some form of legislative remedy to the problem of leaks of classified information. It is hoped that an approach to identify and prosecute leakers can be achieved that will include, among other things, the utilization of polygraph testing. One possible approach has come from the Chairman/SECOM who has drafted a proposed NSDD which would establish policy and procedures relative to leaks of intelligence sources and methods information. []

6. Suitability Seminar

25X1 In March, experts from outside the Agency and interested persons within the Office and CIA will meet to discuss the suitability issues associated with security processing. The panel is designed to allow a forum to resolve existing differences of opinion on these issues. []

7. Recent Graduates

25X1 Chief, Polygraph Division announced the graduation of twelve new examiners from our polygraph school. Twelve additional trainees are scheduled to attend the 10 March class, and an estimated twenty to twenty-two trainees will be needed for the 8 September class to bring our staffing up to the required total []

8. Former D/S to Become National Intelligence Officer

25X1 [] has been named by the DCI to be the National Intelligence Officer for Narcotics. []

9. Industrial Security Seminar

Physical Security Group, in conjunction with the Security Staff/OD&E, is sponsoring an Industrial Security Seminar to be held at Headquarters from 11-13 February 1986. Representatives from 29 contractors will attend.

25X1 A cocktail party for the participants will be held
25X1 11 February from 1730 to 1930 in the Executive Dining Room,
25X1 7-D-40, Headquarters. Persons interested in attending should
call Peggy (OD&E), [] or Carrie
(PSG), [] Cost per person is \$7.00.
[]

10. Quality Step Increase []

25X1 [] received a Quality Step Increase in recognition of his sustained superior performance while assigned to the Security Analysis Group.
